

There is a man whose name
Is engraved in our veins

The grandson of the Holy Prophet
Son of Fatima, Hussain

An Imam that stood for truth and
Justice for humanity

How the Ummah showed their allegiance
By betraying him

On the 10th of Muharram
He sacrificed everything

Seeking no pleasures
Nor power nor fame

He set out to protect the message of the Prophet
All in Allah's name

With blind hearts they were misled
And Hussain was slain

To this day they try to silence us
His name they wish to erase

But they can't remove the
Love for you from our veins

They can try to annihilate us
For their worldly gains

But we'll never stop weeping
We won't forget your pain

We wait patiently
For Imam Al-Mahdi

Imam all we ask is your
Intercession on that day

Lead us to heaven
Lead us to the right way

We'll follow you to the very end
Labbaik we all say

Your Ark of Salvation is
Where we will remain

The poet Sura Ali requests your duas.
