Muhammed and Ibrahim the sons of Muslim

Muslim ibn Aqeel the cousin of Hussain

Recognised for his bravery and loyalty

Oh Muslim

The hero

On that day

Oh dear children of muslim can you hear those sounds

Oh d not worry and do not have any doubts

We remember your father and his name we shout

We will not

Forget him

Oh muslim

We remember his bravery upon that day

Entering the city with you for company

Knowing that imam Hussain he may never see

Such courage

In the face

Of evil

Oh how old were you two when with your father you went

And into the foreign city you two were sent

Holding hands bravely into the final descent

Such a young

You were

On that day

When they asked your father to bow down to yazid

Courage glimmering in his eyes he had no fear

With a loud voice shouting Hussain is my ameer

Such vigr

Such a strength

He possessed

And though they killed your father his name does live on

And the two of you his children how you were slain

Ibrahim Mohammed never forget your name

Remember
