Zainab a.s poem

- [ ] I am the apple that shines in my father Alis eye
- [ ] I am the light that would make my father cry
- [ ] I am the bestowed honour of fatima my mother and this is not a lie
- [ ] I was the guardian to Hassan al mujtaba
- [ ] I was the strength to Hussain shaheed e Karbala
- [ ] I stood side by side with Hussain and held his head and hand high
- [ ] I am the mother that watched her children die

- [ ] I saw nothing but beauty when pain came by
- [ ] It was my duty to stand and cry
- [ ] I stood up as the evil ones showed cruelty
- [ ] I stood up and done what my master required
- [ ] My dua would make this world disappear if i desired

- [ ] I have the strength of Ali running through my veins
- [ ] The patient of Hassan, The heart of hussain
- [ ] Abbas is my protection which was given to me by my mother
- [ ] Abbas is the one that gave everything up for his brother
- [ ] I will rise up and be the resistance
- [ ] If you give me a sword i will fight
- [ ] The sword of Allah is my right

- [ ] The world knows me as the protector of Islam
- [ ] I am here to talk to you in the tone of karar
- [ ] I am the Haider at this moment of time
- [ ] I bare the flag that Abbas had

- [ ] You people here watching me now
- [ ] I will overthrow this tyrant from his throne
- [ ] He will have fear in him like he has never seen before
- [ ] I will bear the flag of guidance and you will just disappear
- [ ] If Abbas isn't here i will raise that flag and i will appear
- [ ] You could break my heart a thousand times
- [ ] But the love of Hussain will never leave this heart of mine

- [ ] I became Ali in Karbala
- [ ] I turn to Najaf and called to Asadullah
- [ ] I turn to medina and called to my mother
- [ ] I see them standing next to me
- [ ] Both holding my shoulder
- [ ] Whilst my voice turns bolder and bolder

- [ ] Weather i reach my destination or not my lord will reward me
- [ ] People don't forget these words

- [ ] stand with me as i was standing with hussain
