

Zainab a.s.

Today we  
Remember  
Ya Zainab  
Daughter of Ali  
Sister of Hussain

You were named  
By Muhammed  
Ya Zainab  
Born in Medina  
On this very day

Married to  
Abdullah  
Ya zainab  
He was a modest man  
And five children you had

Kerbala  
You went to  
Ya zainab  
Side by side with Hussain  
Throughout all of the pain

Following  
Kerbala  
Ya zainab  
You challenged yazid

With your great speeches

Revealing

Yazids evil

Ya zainab

Where would we be without

Your bravery ya zainab

Heroine

Inspiration

Ya zainab

You're a shining light

Shining through the night

Poet Saeed Alhakeem asks for your Dua
