

Descended on the Earth

Let me tell you about Muhammad (pbuh);
Who descended on the Earth, from the Heaven.

Upon his birth, the angels came down,
To give him greetings, they bowed down.

More illuminated was his face than moonlight ,
The Almighty made him with his light.

His beauty struck people with awe,
For they didn't find in him any flaw.

Sent as a mercy from the Lord,
He was the best creation of God.

No wonder he was titled as "Raouf",
For he refrained to hurt even to his foes.

The Lord gave him "Al Kawthar",
It's enough to comprehend his worth.

His significance cannot be characterised,
Whose grandsons are the leaders of Paradise.

Deserving of endless praise is he,
Words fall short while writing his poetry.
