

Imam Mehdi

The leaders of Islam
the eleventh Imam
The father of Mehdi
Askari Askari
Great and pious man
And infallible
Hassan Askari

And what happened to you
When you were twenty two
What was the tragedy
Askari Askari
Your father was slain
Causing such great pain
Hassan Askari

Today we say your name
As this day is the same
That you opened your eyes
Askari Askari
And we celebrate
This fantastic day
Hassan Askari

You lived such a short life
And filled with grief and strife
Through much adversity
Askari Askari
Weren't allowed to rest
Under house arrest
Hassan Askari

And through this you still preached
The people you did teach
Showing them to this deen
Askari Askari
And so in this hall
We do now recall
Hassan Askari
