

Zainab a.s.

5 paragraph 10 syllables 4 lines

You are the final prophets granddaughter
Sister of who was slain with no water
The daughter of Fatima and of Ali
Oh Zainab from the greatest family

Oh truly there can be no greater prize
Than awakening to see Hussains eyes
As well as Fatima in the same place
And every day looking at Ali's face

Allah's religion you truly embraced
Yet so many foes your family faced
But you stood firm with your unyielding faith
For you did know it was your rightful place

Oh zainab you displayed such bravery
Freeing those from their mental slavery
Till the end you stood by your brothers side
Alongside him till the moment he died

Oh zainab of your grave what can I say
Of the destruction how can I portray
A description I can conceive no way
For you are Zainab of the Ahlulbayt

The poet Saeed Alhakeem asks for your dua

Such a great lineage you have zainab
