

Zainab a.s.

Today we rejoice
And we raise our voice
For whose birth is it?
Ya Zainab

Her we do not hide
For she is our pride
And we say her name
Ya Zainab

Where Islam be
Were it not for thee
We'll always recall
Ya Zainab

For if not your stance
There would be no chance
Of what we have now
Ya Zainab

Standing with Hussain
Enduring the pain
That was thrust on you
Ya Zainab

The last man remained
And it was Hussain
Your brother by blood
Ya Zainab

He looked at the sky
You knew it was time
To say your goodbye
Ya Zainab

Zainab I trust you
Go and follow through
What you need to do
Ya Zainab

Future of this land
Now its in your hand
And go my sister
Ya Zainab

So tired and worn
And no time to mourn
Over your brother
Ya Zainab

Fresh in memory
Death of family
But the tyranny
Ya Zainab

For you had to fight
Against Yazids night
You were shining light
Ya Zainab

Sister of Hussain
My brother you've slain
For What can you gain
Ya Zainab

Won't move till I bleed
You tryant Yazid
Islam will succeed
Ya Zainab
