

Strangeness

There's a strangeness in the air tonight,
Or maybe the air is heaving as their are Strangers arriving from Madinah?
Perhaps it's the Angels of Jannah that have come to welcome the
Strangers....

Or the beating of war drums from a blood thirsty army?
Maybe it is the wailing of a mother who knows what is to happen next?
The new moon is overshadowed by another moon on the earth...
The night is uneasy and calamity is stirring...
Yes, there is definitely a strangeness in the air tonight...
