

Eid Al Ghadeer

This day is Arguably the greatest Eid  
Where Mohammed Chose who will succeed  
To take the lantern and lead humanity  
No one is greater than his cousin Ali

You knew that you were approaching death  
And so on Ghadeer khum with a great breath  
You said on whoever I am Maula  
Then over Ali he is also Maula

Islam is Ali and Ali is Islam through his core  
For I am the city of knowledge and Ali is its door  
He's the one appointed by the Almighty  
The First true Imam and calipha Ali

If your ever in trouble then think to Ali  
With him there is no Ambiguity  
This message in our hearts we ingrain  
Live like Ali and die like hussain
