

Ummul baneen

How amazing fatima was

The greatest of all of women
And like her there is no other
She was Fatima ul zahra
There will never be another
PErfect in every single way
And shes remembered to this day

Yet there is a time for us all
Although your clock struck too quickly
And on those who hurt Fatima
May Gods curses fall on swiftly
Crushing Fatima with the door
Dropped her and Mohsin to the floor

And yet one woman did step up
Following such a tragedy
Her name was also Fatima
But she said that name don't call me
Such a character is unseen
She said call me ummul baneen

She had to shoulder a burden
But she did work tirelessly
Looking after Imam Ali
And the rest of the family
Turning the household to a home
Loved the children more than her own

Ummul Baneen went with them all
to journey on that fateful day
On all sides they were surrounded
By such a heartless enemy
Kerbala one by one

Encircled by Yazids army
Soulless beings with no mercy

And as they went out one by one
Fatima would cry out in pain
What of Abbas and of Ali
And what of my dearest Hussain
As she cried out with emotion
More than that for her own children
