

Ya Fatima

Paragraph One

Allah Allah ya Fatima, Rathiya al Marthiya

One single candle burning

For one more candle yearning

More and more candles burning

The light they emit blurring

There's more and more of the same

The candles fire now flames

The whole world on fire its aim

As more and more land it claims

If the whole world was alight

An inferno that's so bright

But truly this blinding light

Pales next to Fatimas light

Wallah wallah and with your light, shining bright here on this night

Paragraph two
(Parents)

Allah Allah ya Fatima, Rathiya al Marthiya

Her birth his proclamation

The greatest of creation

Muhammads declaration

To every single nation

And who was fatima's mother

A woman like no other

For her name was known so far

She's khadijat Al kubraa

When the brightest star in sight

Meets a star that is so bright

Together form no other

Than her the super nova

From a, from a, lineage so pure, to your core, and all you bore

Paragraph three
(Husband - Imam Ali)

Allah Allah ya Fatima, Rathiya al Marthiya

To the prophet they would come

All corners under the sun

Mountains of gifts day and night

But prophet knew who was right

He was known for bravery

Lions roared his name Ali

Asad Allah Al ghalib

Ali bin abi Talib

In the Quran it's transcribed

When the two oceans collide

Words alone can not describe

In heaven their match inscribed

Only , only, only her for him, without sin, pure from within

Paragraph four

Allah Allah ya Fatima, Rathiya al Marthiya

Look at how the prophet fared

Why would his daughter be spared

Everywhere munafiqeen

Claiming to be men of Deen

Tormented and ridiculed

And the people they had fooled

Angry shouts and their demands

Forcefully taking her land

Prophet they claimed to adore

His daughter pushed by the door

To his face they laughed and smiled

But they killed his daughters child

Unjust unjust to you they were, so unfair, they did not care

Allah Allah ya Fatima, Rathiya al Marthiya

Al Zahra Al Fatima Al Taheera Al siddiqa

Al huuriya Al insiya Al Sayeda Al masumah

Al Zahidah Al taqiya Al Sharifah Al Hakima

Al Wasilah Al Shafi3a Al Karima Al Zakiya

Al Alimah Al Jahida Rathiya Al Mathiya

Paragraph Six
Judgement day position

**With each day it becomes near
On that day when there is fear
What's the sound they will all hear
Blowing of the trumpeteer**

**Her footsteps echo around
Oh people cast your eyes down
From her hands blood falls like rain
Holding the shirt of Hussain**

**Oh Allah pass your decree
On who took Hussain from me
Have mercy on those who cried
Punish those on the wrong side**

Lanat, Lanat, For eternity, May Allah Have no mercy

O people of Resurrection, cast your eyes down, so that Fatima Bint Muhammad may pass-while holding Al-Husayn's shirt, which will (still) be saturated with blood.' She will then embrace the leg of the Throne, and say:

O (Allah), You are the Omnipotent and Just; pass the judgment between me and those who killed my son." (The Prophet (S) added): "Then He shall judge according to my Sunnah, by the Lord of Kaaba, Fatima will then say:

O Allah! Grant me intercession for everyone who cried for his disaster; Allah will then grant her intercession for them."

When she is near the gate of Paradise, she will look to her side. Allah will then say:

"Daughter of My beloved, why did you look to your side after I gave the command that you enter my Paradise?"

She will say: "My Lord, I wished that my position would be realized on such a Day!"

Allah will say:

"Daughter of My beloved!

Go back, and look for everyone in whose heart was love for you, or, for any of your progeny; take their hand and lead them into paradise!"

Abu Ja'far (as) said: "By Allah; Jabir, she will pick her Shiites (followers) and those who love her just like a bird picks good seeds from bad seeds. So, that when her Shiites are near the gate of Paradise, Allah will inspire their hearts to look to their sides; when they do, Allah, The Almighty, will say:

said:

"I heard Jabir Ibn Abdullah Ansari say: Allah's Messenger said: On the Day of Rising, My daughter, Fatima, shall arrive riding a female camel from among the camels of Paradise-to her right shall be seventy thousand angels and to her left shall also be seventy thousand angels; Gabriel will be holding its muzzle and calling with the loudest of voices: `Cast down your eyes so that Fatima Bint Muhammad may pass!"

"Then shall no prophet, messenger, truthful one, or martyr remain without casting their eyes down until Fatima passes... Then a call shall come from the side of Allah, the Exalted:

My beloved one and the daughter of my beloved one; ask Us and you shall be given (whatever you wish), and intercede, your intercession shall be accepted. By my Honor and Exaltation, the oppression of no oppressor shall pass My (judgement) today.

Then she (Fatima az-Zahra -sa) will say:

"O Allah, My Master;

My progeny, My Shiites (followers), the Shiites of my progeny, those who love me and those who love my progeny."

She will then hear a call from Allah's side, may His Name be exalted:

"Where are Fatima's progeny, her Shiites, those who love her, and those who love her progeny?" They will then come forward, surrounded by angels of mercy, and Fatima will lead them into Paradise."

The poet and the team at Islam poems asks kindly for your recitation of Surat al Fatiha for their families
