

Prophet Muhammed

Greatness was his fate
Now we celebrate
The birth of the great
Mohammed

Taught us how to pray
Remember today
His name we shout out
Mohammed

He was born to lead
Yet he could not read
The one and only
Mohammed

Not a stroke of luck
That he brought the book
The holy Quran
Mohammed

He was a true man
From the Quraysh clan
And we remember
Mohammed

Such humility
And such honesty
Through adversity
Mohammed

He showed us the way
So we will not stray
From the righteous path
Mohammed

Examples he set
For many he met
Showing them the way
Mohammed

His message through time
Blatant and sublime
Oh we will adhere
Mohammed

A daughter you had
And we were all glad
For fatimas birth
Mohammed

Mother of Imams
Heroes of Islam
We cannot forget
Mohammed

In my heart you'll stay
Never break away
Shout with me today
Mohammed
